

FOR TODAY'S TRANSITIONAL STYLING...

FLOATING SHELVES

—DECORATIVE, FUNCTIONAL AND ELEGANT—

- Perfect for today's transitional and contemporary kitchen and bath styling
- Use between cabinets, at the end of a cabinet run, or free-standing in the kitchen, bath, or other area of the home
- Use functionally to store plates, glasses or decorative items

- Complete turn-key system includes floating shelf, hanging brackets, hardware for mounting and instructions
- Individually cartoned
- Unique hanging system safely supports 20 pounds per running foot of shelf length, when installed per instructions

Wood Shelves

- 7 widths offered: 24", 30", 36", 42", 48", 54" and 60"
- Shelves are 2-1/2" thick x 10" deep (12" deep available by special order)
- Can be trimmed to a minimum 2" depth
- Offered in ready-to-finish maple, cherry, alder, paint grade, red oak and hickory
- Solid wood and wood veneer construction (paint grade is poplar and mdf)
- Made in the USA

Stainless Steel Shelves

- 3 widths offered: 24", 30" and 36"
- Shelves are 2-1/2" thick x 10" deep
- Produced using 430 grade stainless steel
- Nearly seamless appearance all the way around
